Note: 1. Results based on low response rates may not reflect the true class mean. Dept mean is for all undergraduate, or all graduate courses, offered by dept and is weighted by class size.

2. Results from cross-listed courses are included in the mean for the department whose course prefix appears first in the alphabet (e.g., for a course listed as HI and REL, the results are included in History's mean). To find the department mean for the other department (in this example, Philosophy and Religion), go to http://www2.acs.ncsu.edu/UPA/classEval/faculty/college_univ_means.htm.
